SUMMARY:

Aspiring Data Scientist with hands-on experience in developing AI and ML models for various projects. Proficient in Python, R, and SQL, and with a solid background in data analysis and visualization. Adept at leadership and teamwork skills through internships and society positions. Willing to share data-driven insights and creative solutions to real-world challenges.

WORK EXPERIENCE:

Sohan Lal Commodity Management Pvt. Ltd., Delhi

AI Project Intern

Aug 2024 – Oct 2024

- Supported the team in the development and execution of AI-driven solutions for various ongoing projects. My role involved assisting in data analysis, model development, and integrating AI technologies to streamline processes, enhance decision-making, and improve operational efficiency within the organization.

Sohan Lal Commodity Management Pvt. Ltd., Delhi

Project Intern

Oct 2023 – Nov 2023

- I was responsible for developing and refining AI models to identify and classify objects within images accurately. This involved collecting and preprocessing data, training machine learning models, and fine-tuning algorithms to improve detection accuracy.

EDUCATION:

GTBIT, GGSIPU

BTech (Artificial Intelligence & Machine Learning)
(CGPA: 8.3)

2022 – 2026

PROJECT:

Object Detection

- Developed and fine-tuned AI models for detecting and classifying objects within images. Applied advanced machine learning techniques to enhance real-time detection accuracy and integrate the model into broader applications.

Credit Card Fraud Detection

- Developed a model to detect fraudulent credit card transactions using algorithms like Logistic Regression, Decision Trees, and Random Forests.

SKILLS:

- Languages: Python, R, Java, C/C++
- Analytics Tool: Power BI, Tableau
- Soft Skills: Problem-Solving, Team Collaboration, Adaptability, Time Management

CERTIFICATIONS:

- The Data Science Course: Complete Data Science Bootcamp in 2024, Udemy, 2024
- Advanced Excel with Data Visualization, E & ICT Academy, IIT Kanpur, 2024

ACHIEVEMENTS:

- Won 3rd position in Smart Delhi Ideathon 2025 (Theme SDI005- Women Safety)

ROLES & RESPONSIBILITIES:

- President, Nexus- The AI Society, 2024-2025
- Class Representative, AI & ML Batch: 2022-2026
- Mentor, Google Developer Groups on Campus- Content Team, 2024-2025
